Part II:

1.

2.

Working in the dark dungeon of the ECE, I'd been staring at this image for hours upon hours, so why not make it a mosaic?

As you can see, this is a bad pair of photos, because they are basically of the same exact location. I should have turned the camera more for the 2nd pic. It looked like this when it came out:

But I had it display only ~50% of the image on the right and it looks fine.

3. A drive-in movie theater:

Super Troopers! (“Littering AND...?”)

All these fine 1950's folks are watching a movie from the future!
