

Rahul Bhandari      rmb

Section 2

First photos are of the UT tower.

The second photos are pictures of me sitting in the ENS basement

The third set of photos are from my balcony. The final stitch (3 photos) has a large white break in it due to matlab saving a large white border around pictures.

The fourth set of photos is from the NASA website and Icanhascheezburger.com I put a lolcat on the NASA building.
