Sources for my images:

Some good results: cropped 30 seams horizontally and 30 seams vertically
Some funny results: Remove 50 horizontal seams (notice where the bird’s beak moved)

Crop 60 vertical seams and 65 horizontal seams:
Bad Cases:

Shark - http://deepbluehome.blogspot.com/

Remove 150 horizontal seams; Notice the tail of the shark
More good cases:

Remove 70 vertical seams:
